Beyond the Ordinary

A forested camp in the heart of Amboseli National Park, facing Mount Kilimanjaro and Mount Meru.

– Welcome –

Soroi Amboseli sits within a forested enclave in the heart of Amboseli National Park, facing Mount Kilimanjaro and Mount Meru, with tents on stilts under acacia shade.

Sixteen guest units: thirteen Safari Luxury Walk-in Tents, the Deluxe Suite Oldonyo, and two Two-Bedroom Family Units, Enkang and Boma, all with Maasai names. The camp welcomes a maximum of 51 guests.

An infinity pool, a private bush spa, a bar, a fireplace and an indoor and outdoor dining deck make up the camp. Wi-Fi is complimentary throughout, power is 24-hour solar with a backup generator, and game drives run in open 4x4 vehicles.

– The Walk-in Tents –

Thirteen walk-in tents built on stilts under acacia forest shade, each opening onto a private terrace with wooden decking and lounge furniture. A king-size bed sits alongside a single bed, with a writing desk, overhead fan and en-suite bathroom, and a butler hatch allows discreet in-tent service.

– The Family Units –

Two connected bedrooms, a king room and a triple room, both en suite, sharing a joint seating area on the private terrace that looks out over the park. A butler hatch and minibar serve both rooms.

– Oldonyo Suite –

Oldonyo, the camp's single Deluxe Suite, is its most private accommodation. A king-size bed opens onto a private plunge pool with sun beds, with an indoor and outdoor shower, a private bar and a mini fridge. A private butler arranges private dining and a starbed on the terrace, subject to availability. Children under 8 are not permitted.

– Dining & Evenings –

Plated dining on an indoor and outdoor deck, with dietary needs catered for on request and private dining on request. Evenings gather round the fireplace and the bar, and sundowners and bush breakfasts are set up out on the plains.

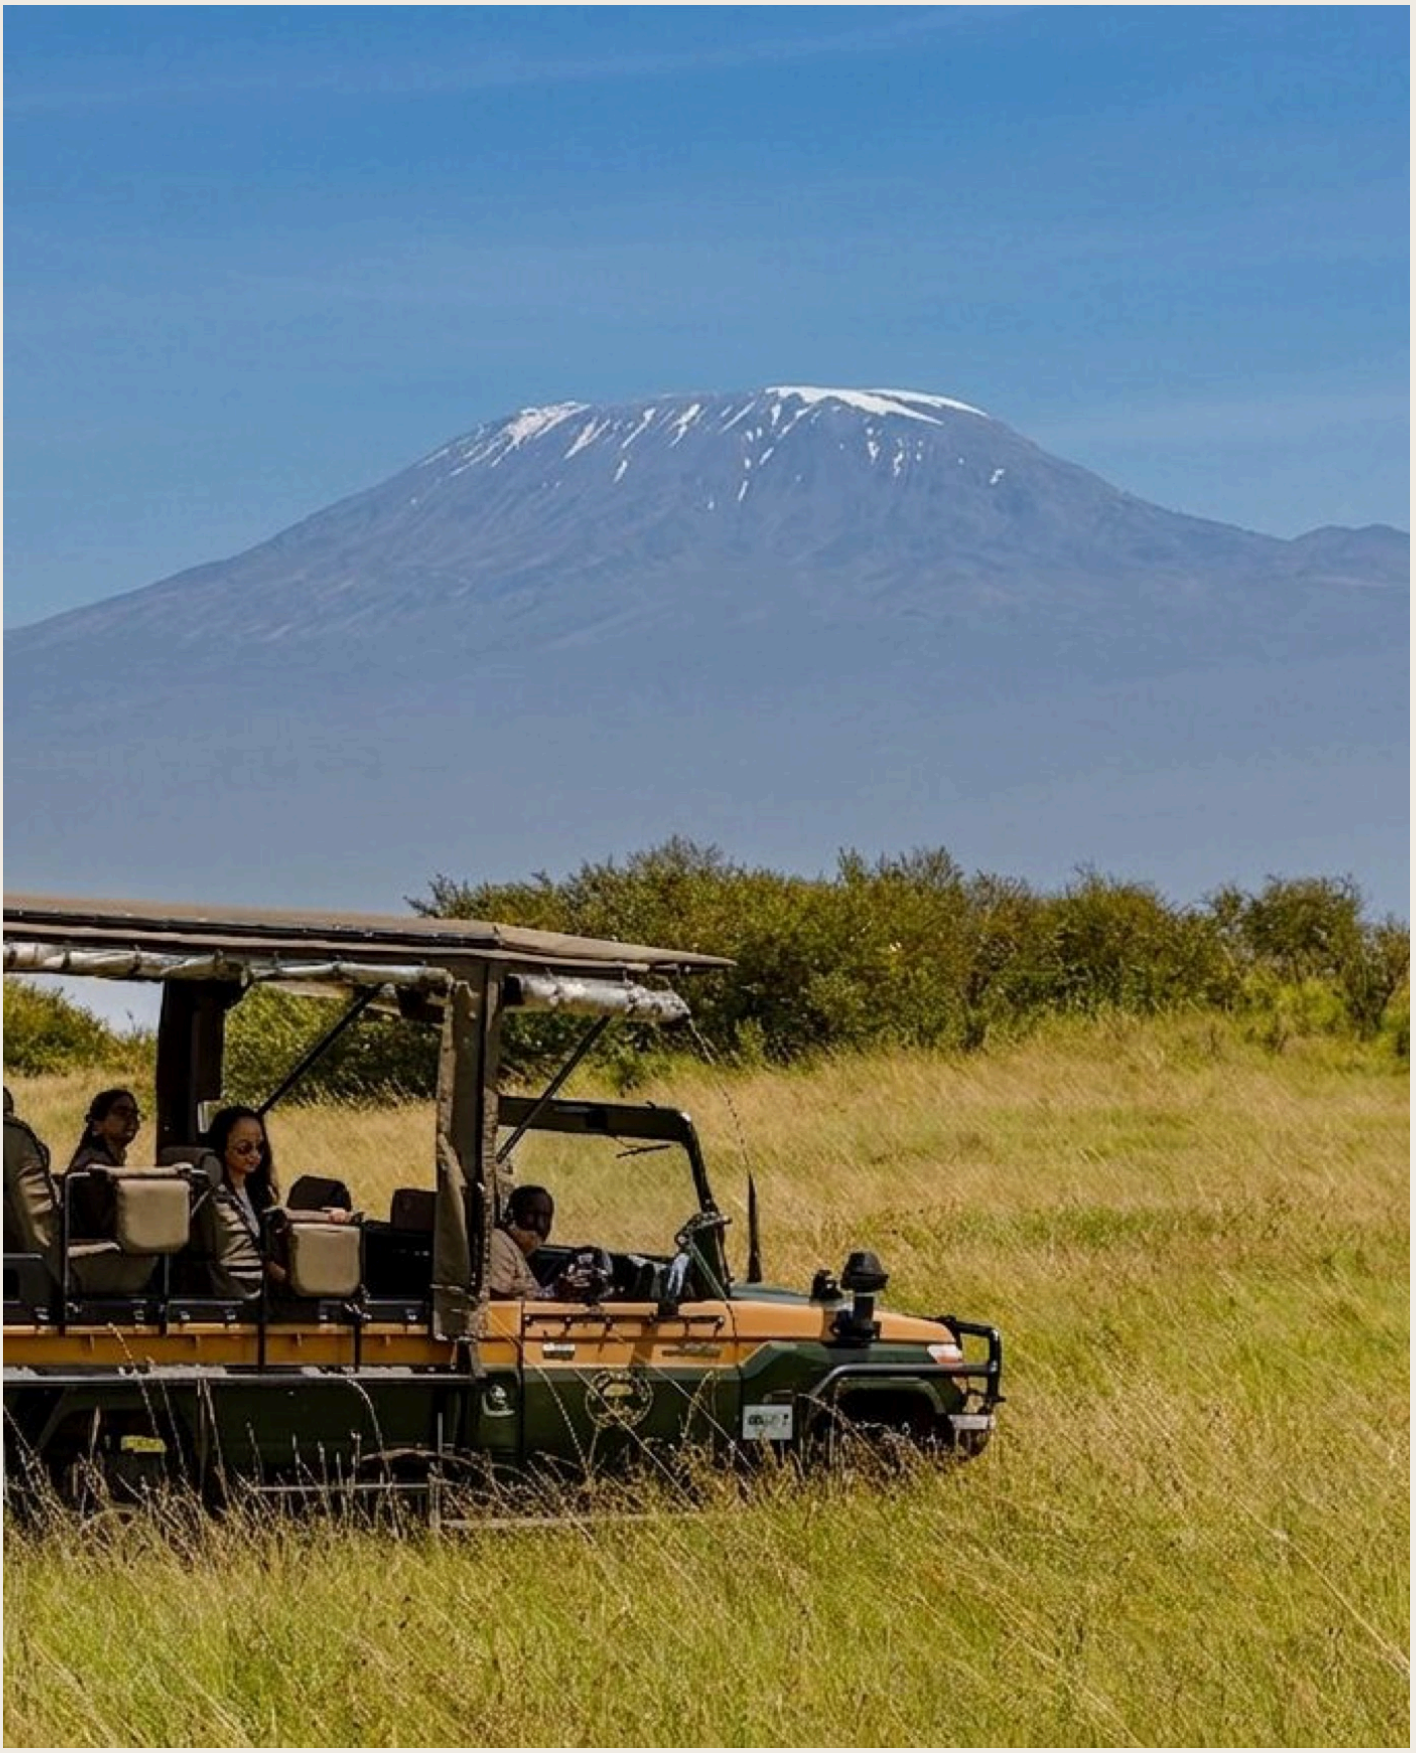

Bush meals and sundowners need advance notice. Speak to your guide on arrival or when you book.

– Experiences –

Days at Soroi Amboseli are shaped by the plains and the mountain: game drives, a dawn balloon flight, birding and visits to a Maasai village. Activities are arranged through your guide or at reception, and rates are in the Activities guide.

Morning or Evening Game Drive

Morning 06:00–10:00 · Evening 16:00–19:30

An open 4x4 and an accredited, English-speaking guide. Elephants move toward the marsh at first light, and Kilimanjaro is often at its clearest in the first hour after sunrise. Included in the Ground Package; an add-on for Full Board guests. Park fees are payable at the gate.

Balloon Safari

Dawn · 4–5 hrs

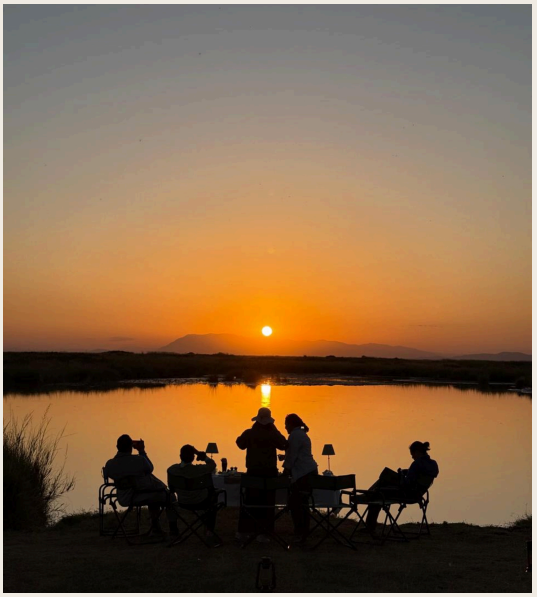

There is only one way to understand the scale of Amboseli, and that is from above it. A dawn launch over the plains, with elephant herds on the salt flat and Kilimanjaro filling the southern sky.

Private Sundowner

6:00–7:00 PM · minimum 4 adults

Your vehicle stops where the horizon is uninterrupted and the mountain is straight ahead. Cold drinks as the light turns amber. Included in the Ground Package; an add-on for Full Board guests.

– Getting Here –
