Family/Friends games

If you're tired of playing board games, here are a few fun activities we can all do together:

Skill Share Program

Introducing our Skill Share Program—a unique opportunity for young learners to showcase their talents and share their skills with peers in a collaborative and enriching environment.

In this innovative program, children have the chance to step into the role of mentor, visiting local schools to impart their knowledge and passion for a particular skill.

Whether it's playing a musical instrument, demonstrating a dance routine, showcasing artwork, sharing a favorite hobby, or even teaching a new language, the possibilities are endless!

Please note that participation in the Skill Share Program is subject to the availability of children in the local schools.

Suitable for: 12 and above

Monkey Wild Quiz

Let's test our wildlife knowledge with a series of fun and exciting questions about animals, their habitats, and their behaviors. Get ready to challenge your friends and family in this wild quiz adventure!

Animal Charades

Take turns acting out different animals while the rest of us guess what you're pretending to be. It's a hilarious game that will have everyone laughing and bonding over our favorite wildlife creatures.
