DEEP SEA FISHING

About 4 hrs · minimum 2 guests · departs from the beach · USD 900 per adult

The Indian Ocean off Diani is among Kenya's most productive deep-sea fishing grounds, with tuna, marlin, sailfish and wahoo regularly landed. Peak season for large billfish runs from October to March. Experienced captains and all tackle are provided, and catch-and-release is encouraged on every trip.

DOLPHIN SAFARI & WHALE SHARKS

Full day · minimum 2 guests · seasonal sightings · USD 200 per adult

Spinner and bottlenose dolphins are resident year-round and often met offshore, and a dedicated full-day dolphin safari is offered. Whale sharks visit the south coast seasonally; sightings vary, so the team will advise on current conditions before you book.

SNORKELLING THE DIANI REEF

Flexible · half day or a few hours · Rates on request

Kenya's south coast reef is one of the most varied in East Africa. The fringing reef runs the length of Diani Beach, so snorkelling straight off the sand is remarkable even for first-timers. PADI-certified dive operators work out of Diani daily, with beginner courses and guided reef dives available.

GLASS-BOTTOM DHOW SAILING

Morning or sunset departures · Rates on request

A traditional dhow fitted with a glass hull panel, a gentle way to explore the reef without getting wet. Coral gardens, sea turtles and shoals of reef fish are visible beneath the boat, which suits children and non-swimmers.

DHOW TO WASINI ISLAND & KISITE-MPUNGUTI

Full day · departs early morning, returns mid-afternoon · Rates on request

The most celebrated full-day excursion from Diani. A dhow heads south at dawn to Kisite-Mpunguti Marine National Park, one of the finest snorkelling sites on the African coast, with dolphins often met in open water. Lunch and snorkelling equipment are included.
