BAHARI BLUE – EXECUTIVE SUITE

SOROI BLUE DIANI · OCEAN VIEW

BAHARI BLUE – EXECUTIVE SUITE

SOROI BLUE DIANI · OCEAN VIEW

ABOUT THIS ROOM

Soroi Blue's most spacious accommodation, Bahari Blue is a true suite: a master bedroom interconnecting with a private twin room, making it a natural choice for families travelling together. A single entrance leads into the suite, with the twin room reached by walking through the master rather than via its own separate door. The master's super king bed sits beneath sheer white drapery, with a day bed to one side and a private ocean-view veranda just beyond the curtains. The twin room offers two single beds, with its own en-suite bathroom. Both rooms carry the same handcrafted, coastal-minimal detailing found throughout the property — warm stone finishes and soft ocean light. On the second floor, in the same wing as the Spa, Bahari Blue is Soroi Blue's largest room category by a wide margin.

ABOUT THIS ROOM

A twin-configured room among Soroi Blue's ocean view accommodation, Wasini pairs two single beds side by side beneath sheer canopy drapery — a straightforward, comfortable layout for friends or family sharing rather than a couple. Its en-suite bathroom carries the same stone and timber detailing found across the property's ocean view rooms, and the room opens onto balcony space looking out toward the pool and the palms beyond. Simple, unfussy, and well-proportioned, Wasini suits guests who want two proper beds rather than a shared one, without stepping up to a suite.

KUSINI – HONEYMOON SUITE

SOROI BLUE DIANI · OCEAN VIEW

ABOUT THIS ROOM

Soroi Blue's Honeymoon Suite, Kusini is entered through a striking coral-stone archway that frames the king-size bed beyond — one of the most distinctive corners of the property. A star bed out on the balcony is the room's signature romantic touch, purpose-built for couples, honeymooners and anniversaries; a day bed in the room's lounge nook also gives it the flexibility to sleep three adults, or two adults with one child. The en-suite bathroom continues the same handcrafted stonework, with a double vanity and a garden-facing window. Soft green and driftwood tones run through the furnishings, and the balcony — shared with Lamu and Galu, divided by carved blinds for privacy — overlooks the pool terrace and gardens toward the sea.

Shimoni is a beautifully designed family room located on the top floor, with lovely ocean-facing views. The main room features a king-size Lamu bed, while a private loft above offers twin single beds, creating a separate sleeping area ideal for families or those travelling with older children who appreciate having their own space. The room opens onto a beautiful shared balcony with Zanzibar, thoughtfully divided by carved wooden screens to give each room its own sense of privacy and individual outdoor space. Funzi and Chale share a verandah.

ZANZIBAR – COASTAL LOFT

SOROI BLUE DIANI · OCEAN VIEW

ZANZIBAR – COASTAL LOFT

SOROI BLUE DIANI · OCEAN VIEW

ABOUT THIS ROOM

Zanzibar sets a king-size bed on the main floor beneath an open loft, reached by its own staircase and furnished with a single bed for a third guest — the same loft architecture found next door in Shimoni. At 33.19 m², it's the largest room footprint at Soroi Blue after Bahari Blue's master, thanks to the openness of the loft void above. Its en-suite bathroom is tucked beneath the neighbouring staircase, a layout that follows directly from the loft above it. The room opens onto a shared balcony with Shimoni, divided by carved wooden screens so each room keeps its own privacy. Zanzibar shares its second-floor wing with Shimoni and Bahari Blue, and suits guests who want extra sleeping space without the fully separate twin room of the Executive Suite.

ROOM SIZE	33.19 m²
BATHROOM SIZE	6.08 m²
BED CONFIGURATION	1 king-size bed + 1 single bed (single bed on the loft level above)

Soroi Blue DIANI

LAMU

SOROI BLUE DIANI · GARDEN VIEW

ABOUT THIS ROOM

Lamu combines a king-size bed with an additional single bed, set among Soroi Blue's garden view rooms rather than facing the ocean directly. Its en-suite bathroom is finished in the same warm stone and timber palette found throughout the property, with garden light filtering in through louvred windows, and is the only bathroom at Soroi Blue fitted with grab handles in the shower — making it the best-suited room for elderly guests who need extra support. The extra single bed gives Lamu some flexibility for a third guest or a child, without stepping up to a full family suite. It's a comfortable, unfussy room for guests who value the quieter, greener side of the property. Its balcony is shared with Kusini and Galu, divided by carved blinds for privacy.

CHALE

SOROI BLUE DIANI · GARDEN VIEW

ABOUT THIS ROOM

A double room set among Soroi Blue's garden view accommodation, Chale is designed with couples specifically in mind rather than families or groups. Carved wood screens, sheer drapery, and warm stone detailing carry through from the bedroom into the en-suite bathroom, with garden views and softer, greener light than the ocean-facing rooms. Without an additional bed, Chale is one of the more intimate rooms at Soroi Blue — a quiet, self-contained retreat rather than a flexible family layout. Chale shares a verandah with Funzi.

ROOM SPECIFICATION

ROOM SIZE	21.86 m²
BATHROOM SIZE	8.90 m²
BED CONFIGURATION	Double room
SLEEPS	Ideal for couples

FUNZI

SOROI BLUE DIANI · GARDEN VIEW

FUNZI

SOROI BLUE DIANI · GARDEN VIEW

ABOUT THIS ROOM

Funzi pairs a king-size bed with a small day bed suited to a young child, making it one of Soroi Blue's more family-oriented garden view rooms. Its en-suite bathroom is unusually generous for the room's footprint — at 12.63 m², it's the largest bathroom at Soroi Blue relative to the bedroom it serves. Warm timber and stone finishes carry through both spaces, with garden views and the same handcrafted detailing found across the property. Compact but well-appointed, Funzi suits a couple travelling with one small child rather than older children or larger groups. Funzi shares a verandah with Chale.

ROOM SPECIFICATION

ROOM SIZE	16.21 m²

TIWI

SOROI BLUE DIANI · GARDEN VIEW

TIWI

SOROI BLUE DIANI · GARDEN VIEW

ABOUT THIS ROOM

Tiwi is the smallest room at Soroi Blue, and it's built with a single traveller in mind: one queen-size bed, no additional bed, and no cot capacity. It's a practical, well-priced option for guides, tour leaders, and solo guests who want a comfortable, properly finished room without paying for space they won't use. Set on the second floor off the main lobby near the staircases, Tiwi shares its floor with Shimoni, Zanzibar, and Bahari Blue. What it lacks in size it makes up for in simplicity: a compact, garden-view room with its own en-suite bathroom, for guests who just need a comfortable, well-kept place to sleep.

ROOM SPECIFICATION

ROOM SIZE	19.68 m²
BATHROOM SIZE	6.61 m²
BED CONFIGURATION	Queen-size bed
VIEW	Garden View
NOTABLE FEATURES	– Smallest, most compact room at Soroi Blue – Best suited to single travellers, guides, or tour leaders – Second floor, off the main lobby near the staircases – Not suitable for a cot
