♿ **ACCESSIBILITY** Wheelchair-accessible unit: Tent 6 (Jacanas), marked on the property layout map as the camp's Wheelchair Accessible Tent. The fact sheet states camp-wide wheelchair accessibility is available "with assistance in certain cases"; no further detail on ramps, bathroom adaptation, or specific in-tent modifications is given in the fact sheet or brochure. [Unverified] specifics — confirm with Yasin before guest-facing accessibility copy. No Family Unit or Deluxe Suite is marked accessible on the property layout map. [Unverified] The fact sheet's property-layout page lists 4 of the 12 Luxury Tents with bed configurations that differ from the king-bed standard given elsewhere in the fact sheet and brochure — Harriers (4) & Swifts (5): 3 single beds; Hornbills (9) & Starlings (10): 1 king + 1 single. Unreconciled between source documents — confirm with Yasin before guest-facing use. See the Luxury Tent page for detail.

LUXURY TENT

SOROI LARSENS CAMP · UNITS 1–6, 9–14

ABOUT THIS ROOM

Twelve river-facing Luxury Tents run along the Ewaso Ng'iro River, each named for a bird found in Samburu. In the camp brochure's standard specification, each tent has a king-size bed, en-suite bathroom with indoor shower, bespoke organic bathroom amenities, filtered water, a butler hatch for discreet service, a private terrace with extended veranda and outside seating facing the river, a writing desk and wardrobe, comfortable lounge sofas, minibar and Wi-Fi. [Unverified] The fact sheet's property-layout page separately lists four of these twelve tents with different bed configurations from the standard king-bed description above — Tent 4 (Harriers) and Tent 5 (Swifts) with 3 single beds, and Tent 9 (Hornbills) and Tent 10 (Starlings) with 1 king bed plus 1 single bed — while the fact sheet's own summary table and the brochure both describe all 12 tents as king-bed only. This discrepancy between source documents has not been reconciled; confirm actual bed configuration for these four named tents with Yasin before using in guest-facing copy. Tent 6 (Jacanas) is the camp's wheelchair-accessible tent. The camp is Gold Eco-Rated (Dec 2025 – Nov 2027) and runs on 24-hour solar power.
