Tent 1 · ♿ **Tent 3** · Tent 5 · Tent 6 · Tent 7 · Tent 8 · Tent 9 · Tent 10

TWO-BEDROOM FAMILY UNIT (Units 2, 4)

Family Unit 2 · Family Unit 4

♿ **ACCESSIBILITY** Wheelchair-accessible unit: Tent 3, one of the property's 8 River-Facing Luxury Tents — confirmed directly on the property layout plan (distinct wheelchair icon at position 3). The fact sheet also states 'Wheelchair Access: Yes' at the property level but does not detail specific accessible routes to public areas beyond the layout plan icons. Source: Soroi Luxury Migration Camp Fact Sheet, page 3.

[Unverified] The fact sheet does not assign individual names to tents — all 10 guest units (8 River-Facing Luxury Tents, 2 Two-Bedroom Family Units) are identified by number only on the property layout plan (units 1–10), unlike Amboseli's Maasai-named tents. The fact sheet additionally lists 3 Bush Wing / Tour Leader Tents as guide/tour-leader accommodation — these are not shown on the numbered layout plan and are not included as a guest-facing room type in this guide.

The en-suite bathroom has an indoor shower and is stocked with bespoke organic soaps and care products, and a mini bar sits within easy reach. An extended veranda with deck chairs gives each tent its own private outdoor sitting area above the water.
