♿ ACCESSIBILITY [Unverified] The Fact Sheet lists wheelchair access as 'Possible with assistance in certain cases' — no specific unit(s) at Soroi Private Wing are named as wheelchair-accessible or modified, unlike the named-unit accessibility documented for Soroi Amboseli. Confirm with Yasin before making any guest-facing accessibility claim about a particular tent.

[Unverified] The property layout map (from the Soroi Private Wing Fact Sheet) names and numbers all 12 tents and confirms Tent 3 (Giraffe) and Tent 4 (Elephant) as the two Family Tents, but does not indicate which of the remaining ten tents (1, 2, 5–12: Warthog, Buffalo, Rhino, Ibis, Crown Crane, Crocodile, Hyena, Gazelle, Lioness, Wildebeest) are River-Facing versus Forest-Facing — neither the Fact Sheet nor the 2025 Brochure states this split by name/number. Confirm the per-tent assignment with Yasin before this guide is used for guest-facing wayfinding.
